COMMENTS (please reference from number) **and GOALS/OBJECTIVES**:

CONSENT:
I understand that the purpose of Rolfing is to balance and align the physical body so that it is supported and maintained by gravity in space. This is done through tissue manipulation and education so that greater economy and freedom of movement is achieved.
I understand that Rolfing is not involved with the treatment of disease of any kind, nor does it substitute for medical diagnosis or treatment when such attention is needed.
I understand that the Rolfer does not treat, prescribe, or diagnose and illness, disease, or any other physical or mental disorder of the person. Nothing said or done by a Rolfer should be misconstrued to be such.
I understand it is necessary for the Rolfer to touch my body in order to assist me in establishing balance and alignment in my body. I give the Rolfer my permission and consent to do those things necessary in helping me establish balance and alignment, including, but not limited to touching my body. I give the Rolfer full privilege and license to work on my body in such a way as to restore and establish balance and alignment therein.
Furthermore, I understand that any relief of physical or emotional symptoms is coincidental in the organization of the total human being and is not the goal of Rolfing.

CANCELLATION AGREEMENT:
In the event that Client does not give a full 24 hours' notice of cancellation, Client is liable for the full session fee.
Likewise, if Rolfer cancels without adequate notice, Rolfer owes the client a free session. Exceptions to this policy will be considered on a case-by-case basis.
